About StrengthsQuest

StrengthsQuest is a development and engagement program designed to help high school and college students, educators, and staff members to achieve success in academics, career, and life. StrengthsQuest gives people the opportunity to develop strengths by building on their greatest talents — the way in which they most naturally think, feel, and behave as unique individuals. Grounded in Positive Psychology and the Clifton StrengthsFinder, StrengthsQuest has helped more than 850,000 people at 600 schools, universities, and nonprofit organizations achieve academic, career, and personal success.
